3. To conduct research, publish scholarly papers and/or sponsor seminars related to the advancement of public parks and recreation administration.

ARTICLE III: MEMBERSHIP

Section 1: Membership Categories There shall be two categories of membership in the Academy: (1) Fellow & (2) Emeritus Fellow.

Fellow:

1. Served in a high level of administration in a park and recreation agency for not less than fifteen (15) years with a direct service benefit to the advancement of public parks and recreation. As a general rule, this would mean with significant experience and oversight in a majority of the following areas: parks, recreation, personnel, training, budgeting, planning, capital improvements and marketing; OR served as a recognized educator in the field of parks and recreation administration for a period of not less than fifteen (15) years. Under normal circumstances, this would mean the individual had attained the rank of full Professor; OR served in a high level of administration and as a recognized educator for a combined period of not less than fifteen (15) years.
2. Demonstrated outstanding ability in administration, management or education in the profession of parks and recreation.
3. Displayed a sufficient broad interest and a reflective nature in order to interpret experience within the profession to others.
4. Assumed leadership in the profession and demonstrated keen desire to contribute to the advancement of parks and recreation through participation in the affairs of the Academy.
5. OR be a Director or Chief Executive Officer of a major Federal, State, Regional, County (or Parish) or City with a population of 500,000 or more. Persons desiring to become Fellows of the Academy would be nominated for membership by a committee appointed by the president consisting primarily of Academy Fellows who are directors or chief executive officers of agencies as described above. The committee shall forward the names of nominees the committee recommends along with supporting data to the Board of Directors in accordance with a schedule prescribed by the Board. Fellows selected through this process shall not exceed ten percent (10%) of the Academy Fellow membership and will be in addition to the members allowed in other categories.

Emeritus Fellow: A member, or distinguished professional who meets the requirement of membership, who by personal definition is retired from the profession (or whom in the case of direct election of a distinguished professional to Emeritus status), shall be enrolled as an Emeritus Fellow. Emeritus Fellows are encouraged to actively participate in the Academy's programs including serving on committees and shall enjoy all the rights and privileges of full membership including the right to vote.

BYLAWS – ARTICLE III: MEMBERSHIP (continued)

Section 2: Election of Fellows Nominations for all members shall be made by a Membership Committee appointed pursuant to Article VII. Any member of the Academy may submit in writing, in such form and with such supporting material as the Membership Committee may prescribe, not more than two (2) proposed nominations for membership in any one year. The Membership Committee may consider other names proposed by members of the Committee with appropriate supporting data from the Committee itself. The Membership Committee shall screen all nominations and forward the names of nominees the Committee recommends along with supporting data to the Board of Directors in accordance with a schedule prescribed by the Board. Nominees receiving a two-thirds vote of the Board of Directors in a mail ballot shall become members of the Academy.

Section 3: Membership The number of members in the category of Fellow members, not including Emeritus Fellows, shall not exceed one hundred twenty-five (125), of which no more than twenty percent (20%) or twenty-five (25) may be educators. The Board of Directors shall determine the number of members to be elected each year to insure the maintenance of the membership body consistent with the purposes of the Academy.

Section 4: Dues The annual dues for each membership category of the Academy shall be determined by the Board of Directors.

Section 5: Inactive Members The Treasurer shall report to the Board of Directors annually the names of any members who have failed to pay their dues for a period of one (1) year. Any member who fails after appropriate notice to meet the dues-paying obligation shall be considered to have resigned, except that this provision may be suspended by the Board of Directors at its discretion.

Section 6 Reinstatement of a Member If a Fellow or Emeritus Fellow has been inactive for a period of one (1) year, such member may be reinstated by action of the Board of Directors upon making payment-in-full of membership dues, both current and in arrears. If a member's name has been removed from the membership roll, but he/she desires to be reinstated as a member, the individual must successfully complete the nomination and election process as set forth in Article III, Section 2, Election of Fellows.

Section 7: The Officers and Board of Directors and members of the Membership Committee serving in any particular year may not nominate or second a nomination of any individual as a Fellow of the Academy. They still retain the right to vote on a member.

ARTICLE IV: MEETINGS

Section 1: Annual Meeting There shall be an annual meeting of the Academy at such time and place as may be determined by the Board of Directors, for election of members of the Board of Directors, for receiving annual reports, presentation of scholarly papers, and the transaction of other business. Notice of such meeting, signed by the secretary, shall be mailed to the last recorded address of each member not less than five (5) nor more than forty (40) days before the time appointed for the meeting. In the event of the absence of an annual meeting, leadership transition of the Board of Directors shall occur at the next Board of Directors meeting.

Section 5: President-Elect The President-Elect may be delegated by the President to perform his/her duties, in the event of the President's temporary disability or absence from meetings, and shall have such other duties as the President or the Board may assign. The President-Elect shall succeed to the office of President.

Section 6: Treasurer The Treasurer shall keep an account of all monies received and expended for the use of the Academy, and shall make disbursements authorized by the Board and approved by the President and such other officers as the Board may prescribe. All sums received shall be deposited in the bank or banks, or trust company, approved by the Board of Directors. The Treasurer shall make a report at the annual meeting or when called upon by the President. Funds may be drawn only upon the signature of the Treasurer and/or the President. The funds, books and vouchers in the hands of the Treasurer shall, with the exception of confidential reports submitted by members, at all times be subject to verification and inspection by the Board of Directors.

Section 7: Secretary It shall be the duty of the Secretary to give notice of and attend all meetings of the Academy, to keep a record of all proceedings, to attest documents and perform such other duties as are usual for such an official or as may be assigned to him or her.

ARTICLE VII: COMMITTEES

Section 2: Nominating Committee At least ninety (90) days before the annual meeting, the Board of Directors shall appoint a nominating committee comprised of five (5) members, a majority of whom are past-presidents, and chaired by the immediate Past President to nominate officers and candidates for the Board of Directors. Except for persons serving initial one-year terms, no person may serve on the Membership Committee for two consecutive appointive terms. The President of the Academy shall designate the Chair of the Committee and appoint the two vacancies, and the President-Elect shall designate the Vice Chair.

ARTICLE VIII: DISSOLUTION

The Academy shall use its funds only to accomplish the objectives and purposes specified in these bylaws, and no part of said funds shall be inured or be distributed to the members of the Academy. October 17, 1991: Approved motion that Academy should offer endorsements or cooperation for only those programs, activities or events or other organizations totally consistent with Academy practices and objectives and involve Academy members. Requests for endorsements or cooperation should not involve the Academy financially. If fiscal involvement is required, then the policy governing cosponsorship should be followed. Any organization that has a program endorsed by the Academy should provide a report of the program to the appropriate Academy committee within 60 days of its completion.
